What do you know about mind maps?

American
Spaces

While creating mind maps

- Defer judgement

- Quantity over quality

- Note whatever pops in mind

- Encourage radical, eccentric ideas

American
Spaces

While merging mind maps

- Examine the two mind maps

- Pick the relevant ideas from them

- Move them near the problem statement

- Cluster similar ideas together

- Note down any idea that you get while working

American
Spaces

I used to think _____

And I now think _____
