

Maker2Entrepreneur (M2E)

Digital Media Literacy Workshops

We will begin shortly.....

American
Spaces

Theme 1: Finding and Consuming information digitally

Search and Research using Google

Icebreaking with Google Ngram

- Find a word that generates an intriguing graph
- In the group, hypothesize about the shape of the curve
- Use google to do a bit of research on your hypothesis

For what purpose would **reverse image search** be useful?

American
Spaces

How can we manage our **YouTube consumption** and keep it on the healthy side?

What major **concerns** about **Google** are you aware of?

American
Spaces

Something I **learned** today is _____

Something I **still wonder** about is _____
